

supremeSchwank

Invisible heat from the *most efficient* outdoor heater

Create a more comfortable dining atmosphere for your customers. Low clearance to combustibles make this heater fit closer to your patio structure to blend in with the aesthetics of your restaurant patio. The supremeSchwank keeps customers more comfortable to stay longer and spend more throughout the year.

Single Stage Heater Models Available [input/length]: 23,000 Btuh - 30 1/2", 35,000 Btuh - 43 1/2"
 2-Stage Heater Models Available [input/length]: 50,000 Btuh/35,000 Btuh - 48.25"

bistroSchwank

Turns patios into *profits*

The competitive price point of our bistroSchwank outdoor heaters make them the go-to option for every restaurant owner who wants to keep their customers happy. If your outdoor restaurant patio isn't already heated then you are leaving money on the table by relying on warm weather to keep your patio open.

Single Stage Heater Models Available [input/length]: 35,000 Btuh - 44", 50,000 Btuh - 44"
 2-Stage Heater Models Available [input/length]: 50,000 Btuh/36,500 Btuh - 44"

Available in stainless steel or black finish

Dual heat settings for *controlled comfort*

Choose between two heat settings for a controlled comfort level that can't be matched by any other patio heater.

Keep your heaters *looking sharp!*

All supremeSchwank and bistroSchwank heaters are now made with 316 marine grade stainless steel to prevent rusting.
